Modesto, California – The Stanislaus County District Attorney's Office is saddened to announce that Deputy District Attorney Nate Baker has died suddenly at the age of 42.

Nate Baker has worked at the Stanislaus County District Attorney's Office for 14 years. During that time, he successfully prosecuted such notable cases as the "Home Invaders" who terrorized families in our rural community over a several month period and Terry and Chandy Indula who brutalized their daughters.

District Attorney Birgit Fladager stated "This is an immeasurable loss to every single one of us. Nate was loved and well-respected by everyone in this office, law enforcement and the court system. He was dedicated and committed to making our community a safer place to live. He will be greatly missed."

Nate is survived by his wife and two children, as well as his mother, father and brother.

Details on the services are not currently known but will be released when finalized.
