Re: Public Warning Notice

Modesto, California –

###

Stanislaus County District Attorney Jim Brazelton today reminded citizens that, once again, a fraudulent solicitation known as the “Nigerian Letter Scam” has appeared. Persons receiving a letter such as the one that follows should immediately contact their local law enforcement agency and refrain from responding to the letter. This has been received both by regular mail and by e-mail. Persons responding to these letters will be contacted and persuaded to put up “good faith” money or will be defrauded in a number of different ways.

ATTN: THE PRESIDENT/CEO

In a brief introduction, my name is XXXXXX, a Sierra Leonean by Nationality, I am the son of Late XXXXXX, the former Sierra Leonean Vice President, who was assassinated in Freetown, Sierra Leone on the 2nd of July 2000 by the Rebel force led by Major John Koroma, in the bid to overthrow the Democratic Government.

Before the assassination, my father was also the Chairman of the Sierra Leonean National Diamond and Gold Corporation. The war that broke out from the unlawful rebel overthrow forced us to flee to a neighbouring village until the West African Peace Keeping Force (ECOMOG) took

control of my village Mende, then I decided to go back to our family to search for some vital documents and valuables.

In my search, I found keys to my Late fathers underground safe, where I discovered five metallic boxes filled with money and a payment voucher on one of the boxes confirming the money in the boxes to be THIRTY FIVE MILLION UNITED STATES DOLLARS being proceeds gotten from the sale of Gold & Diamond to the Libyan Government by the Corporation which

my father was the Chairman. With the help of a Local Fisherman that operates a fishing trawler, I was able to take these boxes to Abidjan, Cote d'Ivoire through the Coastal Water and deposited them with Allied Security Company under a suspense account.

Now arrangement has been made and the fund has being transferred to Allied Security Company Head-Quarters in London, UK.

Currently, I am now seeking political asylum in Nigeria, due to anglophone treaty signed in October last year between ECOMOG and the Government of Sierra Leone for our safety.

I have decided to contact you because I need a foreign Bank Account to transfer this fund. I wish to transfer this fund to your country where I want to invest in Real Estate or any other lucrative business you might suggest as I wish to leave Nigeria permanently.

My requirement/conditions for partnership if you are interested are:

1. I shall fax to you the telephone number of the security company in London, for you to confirm the availability of the fund after which we shall both meet in London with the Security Company Directors and finalize the remittance of the fund to your nominated Bank.

2. For your assistance, my family will compensate you with 30% of the total fund and also you will be part of any lucrative investment proposed.

You can also contact me on the above telephone number or send me a fax for further discussion if need be.

I look forward to have a good business relationship with you.

Best Regards,  
XXXXXXX
