MODESTO, CALIFORNIA – Stanislaus County District Attorney Birgit Fladager announced today that Douglas Randolph Bagley, 39, of Modesto, pled guilty in Stanislaus County Superior Court to Manufacturing Methamphetamine, Possession of Methamphetamine for Sale, and Possession of Methamphetamine. Bagley also pled guilty to Receiving Stolen Property.

On October 30, 2008, Ceres police officers conducted a probation search at the home of Douglas Bagley in Ceres. During the search, officers found Bagley to be in possession of stolen checks as well as .42 grams of methamphetamine.

On November 16, 2008, Ceres police officers conducted a second probation search at Bagley's home. Officers found Bagley to be in possession of 6.16 grams of methamphetamine as well as plastic bottles with bi-layered liquid, drain cleaner, iodine crystals, chemically stained coffee filters, and pots, pans and sifters that contained a white powder. The chemicals and filters were tested by the California Department of Justice and found to contain red phosphorus as well as residue of methamphetamine.

In a hearing before the Honorable Timothy Salter, Bagley was sentenced to three years and eight months in state prison.
