Re: Parole Denied for Terry Clark

Contact: Carol Shipley

Assistant District Attorney

Phone: (209) 525-5550

Modesto, California – Stanislaus County District Attorney Birgit Fladager announced today that Terry Clark (58) of Modesto was found unsuitable for parole at a June 19, 2008 hearing of the State Board of Prison Hearings at California State Prison, Solano. Deputy District Attorney Doug Maner appeared at the hearing and argued for continued confinement based on lack of rehabilitation, poor parole plans and significant disciplinary history while incarcerated. The Board of Prison Hearings agreed and denied parole for one year. Clark has been incarcerated for this crime for 25 years.

Clark and crime partner William Smith shot and killed Harold Parker and wounded Lonnie Duford in 1982 because they mistakenly believed that they had stolen property from them two weeks earlier. Clark and Smith lured the victims into a residence by promising to sell them methamphetamine and ambushed them once they arrived. Clark refused to discuss the crime with the Parole Board, but had previously stated that Parker's killing was accidental despite Smith's saying "We got the wrong guy" after shooting him; and that Duford's shooting was in self defense despite witness statements that Duford was unarmed and fleeing out the door when shot.

Clark was convicted of murder and attempted voluntary manslaughter in 1982 and was sentenced to a prison term of 23 years to life. He has previously been denied parole six times and will be scheduled for another hearing in one year.
